Living Smart ~ Aging Strong

WELCOME TO SUMMER!

Along with the change in seasons comes an exciting new chapter for WCCOA. The Senior Connection, our activities department, is moving to a new home. We will still be located downtown, right in the heart of our community, where we can continue our mission of serving and connecting older adults.

We look forward to welcoming you to our new space and continuing to provide the programs, activities, and friendships that make the Senior Connection such a special place. You can find more information about our new location on the next page.

In previous editions, I have written about the movement to abolish property taxes in Ohio. As of June, the effort did not gather enough signatures to qualify for the November ballot. Organizers have now shifted their focus to the November 2027 ballot and will continue collecting signatures in support of the proposal. As this issue continues to move forward, I urge everyone to do their research and carefully consider the potential impacts. Property taxes fund a wide range of local services, including schools, public safety, infrastructure, and community programs. If this effort is successful, there will need to be a clear and sustainable plan to replace that revenue. The effects of such a change would reach every Ohioan, directly or indirectly, making it important for voters to understand both the benefits and the challenges before making a decision.

Barbara Griffin

Nutrition Supervisor
& Data Entry

We are thrilled to share that **Barbara** has transitioned into the position of **Nutrition Supervisor**!

Our Home Delivered Meal program offers a diverse selection of meal options—hot, cold, and frozen—available to seniors five days a week. Our meals are prepared by the Seneca County Commission on Aging and then thoughtfully packaged at our facility by our outstanding kitchen team. Our dedicated meal route drivers deliver these meals, accompanied by a smile, across Wyandot County. Barbara continues to oversee our Chore Program as well as Care to Chat. The Chore Program is designed to assist those who require help with minor home repairs and maintenance tasks. Care to Chat is a volunteer initiative that connects callers with individuals who would benefit from a friendly conversation. These calls can vary in duration and offer an excellent opportunity for personal connection.

Our dedicated homemaking team is here to support you, ensuring a clean and comfortable living environment so you can focus on what truly matters - enjoying life and spending time with loved ones.

We understand the importance of maintaining a tidy home, and our services are tailored to meet your individual needs. Whether you require assistance with laundry, wet and dry mopping, changing bed linens, washing dishes, vacuuming, dusting, or keeping kitchens and bathrooms clean we are here to help.

Transportation
Supervisor

We provide transportation services throughout Ohio for medical appointments, while non-medical appointments are also available specifically in Wyandot County. Please note that medical requests take precedence over non-medical ones.

Our exceptional drivers offer door-to-door service to ensure you arrive at your appointments safely; however, they are unable to assist with lifting.

If you need to cancel an appointment, we kindly ask that you do so as early as possible, allowing us to assist someone else who may need a ride that day.

We are dedicated to ensuring that every senior in Wyandot County has the necessary resources to age safely, comfortably, and with dignity. Recognizing that each individual's needs are distinct, our caring team is ready to listen and provide customized support.

Whether you're in search of information, a particular service, or a community connection, we are here to partner with you on this journey. Don't hesitate to reach out with any questions or to discover more about how we can assist you or your loved ones.

Victims feel shame, rely on their abuser, or don't know where to turn.

WHAT WE ARE SEEING LOCALLY

Cases are steadily increasing. We are seeing seniors living in neglectful, unsanitary, and unsafe conditions – and a sharp rise in financial exploitation. Perhaps most troubling: children and grandchildren are among those taking advantage of older adults in their own families.

WCCOA, Inc. is a private, non-profit corporation founded on August 9, 1974, and serving individuals since 1976.

Over the years, WCCOA has been made possible by grants, partnerships and most importantly - the voters of Wyandot County - who have generously voted to pass tax-leaves to keep our operations prospering.
