

Living Smart ~ Aging Strong

Yes, it really is 2026! Are you still processing this like I am? I love new beginnings. A new day, a new month, and a new year. These are great opportunities to refocus, recommit, and start new things. It's like a clean slate, and we get to fill it however we like. How will you use your fresh start? Do you need to become more active? (I do!)

Do you want to travel more? Spend more time with family and friends? Make new friends? Get your home in order? Eat healthier? Improve your health? At WCCOA, we are committed to helping the 60+ citizens of Wyandot County achieve the best possible life.

We can help with nutritional needs, transportation, homemaking, even small home repairs, as well as engagement and socialization opportunities.

We are partnered with the Area Agency on Aging in Mansfield and they have many resources available to assist the aging population.

Throughout this edition, you will find information about many of our services and activities.

Please call us at 419-294-5733 for any questions or concerns you may have. We have a staff of over 30 people who are dedicated to serving you and your needs. We will do whatever we can to help you or connect you with someone who can.

Let's have a great year!

Terry Ratliff, Executive Director

Mission Statement:

Wyandot County Council
On Aging engages
Wyandot County
citizens of all ages and
provides services to our
60+ community to
enhance the quality of
their lives.

Homemaking
Alesta Altvater
Homemaking Supervisor

Homemaking offers light housekeeping services to help our clients comfortably stay in their homes. Our services include:

- Laundry
- Wet/dry mopping
- Changing bed linens
- Dishes
- Vacuuming
- Dusting
- Maintaining cleanliness in kitchens and bathrooms

Currently, we have no waiting list for our homemaking services. For more information, please give us a call!

Nutrition
Ronald Bailey
Nutrition Supervisor

Our Home Delivered Meal program is NOT affiliated with "Meals on Wheels." You may have heard about some changes to that program but we are funded through a completely different process, and our service will not be interrupted. Our meals are sourced from Seneca County and are carefully packaged at our facility by our incredible kitchen team, ensuring that hot food remains hot and cold food stays cold while our dedicated meal route drivers deliver throughout Wyandot County.

Transportation
Patty Nye
Transportation Supervisor

We offer transportation across the entire state of Ohio for medical appointments; additionally, non-medical appointments are available in Wyandot County. Please be aware that medical requests do take priority over non-medical ones.

Our drivers are outstanding and provide door-to-door service to ensure you reach your appointments; however, they are unable to assist with lifting.

If you need to cancel an appointment, please do so as early as possible so we can help someone else who may need a ride that same day.

Outreach Specialist
Tim Griffin
Office Administrator

Our commitment is to ensure that every senior in Wyandot County has access to the resources they need to navigate aging safely, comfortably, and with dignity. We understand that each person's needs are unique, and our compassionate team is here to listen and offer tailored support. Whether you're seeking information, a specific service, or a community connection, we are here as your partner in this journey. Please feel free to reach out with any questions or to learn more about how we can support you or your loved ones.

Volunteer Coordinator
Barb Griffin
Data Entry

Have you heard about our Chore Program? Launched just a few years ago, this initiative aims to assist those who may need help with minor home repairs and maintenance. Jeff has a diverse skill set, so don't hesitate to reach out if you have any questions.

Care to Chat is a volunteer program that connects callers with individuals who would appreciate a friendly conversation. These calls can vary in length and serve as a wonderful opportunity for personal connection. If you're interested in becoming a caller or would like to receive a call, please let us know!

In the coming weeks, Medicare will mail information to beneficiaries nationwide about GUIDE.

This mailing will explain the program and provides contact information for GUIDE participants.

Please rest assured that GUIDE is a legitimate Medicare program and is designed to support both people living with dementia and their caregivers (This is NOT a Scam).

COMPREHENSIVE ASSESSMENT

Beneficiaries and caregivers receive separate assessments to identify their needs and a home visit to assess the beneficiary's safety.

CARE PLAN

Beneficiaries receive care plans that address their goals, preferences, and needs, which helps them feel certain about next steps.

24/7 ACCESS

Beneficiaries and caregivers can call a member of their care team or a third-party representative using a 24/7 helpline.

ONGOING MONITORING & SUPPORT

Care navigators provide long-term help to beneficiaries and caregivers so they can revisit their goals and needs at any time and are not left alone in the process.

REFERRAL & SUPPORT COORDINATION

Beneficiaries' care navigator connects them and their caregivers to community-based services and supports, such as home-delivered meals and transportation.

CAREGIVER SUPPORT

Caregivers take educational classes and beneficiaries receive respite services, which helps relieve the burden of caregiving duties.

MEDICATION MANAGEMENT

Clinician reviews and reconciles medication as needed; care navigators provide tips for beneficiaries to maintain the correct medication schedule.

CARE COORDINATION & TRANSITION

Beneficiaries receive timely referrals to specialists to address other health issues, such as diabetes, and the care navigators coordinate care with the specialist.

WINTER WEATHER POLICY REMINDER

WCCOA OFFICE AND SERVICES

We will operate as usual up to the point Sheriff Frey declares a "Level 2 Snow Emergency" or greater.
