Wyandot County COUNCIL ON AGING

2026
NOV / DEC

Living Smart ~ Aging Strong

Friends, would you like to help us fulfill our mission?

Do you enjoy meeting people, lending a helping hand, and being part of a team that makes a difference in the community?

The Wyandot County Council On Aging (WCCOA) is looking for friendly, dependable volunteers to assist at our reception desk!

As WCCOA continues to grow and serve more individuals throughout Wyandot County, we are seeking two to three volunteers to help keep our office running smoothly. Reception desk volunteers play an important role in creating a welcoming first impression for our clients, visitors, and community members.

Volunteers will help answer incoming phone calls, direct callers to the appropriate department, and provide general assistance as needed. A friendly voice and a willingness to help are all you need to get started!

Our anticipated schedule is Monday, Tuesday, and Wednesday from 9:00 a.m. to 2:00 p.m. Occasional additional coverage may be requested to meet office needs.

Volunteering is a wonderful way to stay connected, meet new people, share your time and talents, and support an organization dedicated to helping older adults in our community.

If you are looking for a meaningful way to give back and help WCCOA continue serving our community, please contact our office at 419-294-5733 to learn more about this volunteer opportunity.

Your time makes a difference, and a friendly voice can make someone's day!

Mission Statement:

Wyandot County Council On Aging engages Wyandot County citizens of all ages and provides services to our 60+ community to enhance the quality of their lives.

IN-PATIENT CAREGIVER RESPITE

Are you a caregiver supporting someone in the community?
Do you need a break?

The Area Agency on Aging has funding to support an in-patient respite stay for your friend or loved one. An in-patient respite stay can occur at an Assisted Living or Skilled Nursing Facility.

ELIGIBILITY INCLUDES:

- Individuals receiving services must be 60 and older and living in one of our nine counties: Ashland, Crawford, Huron, Knox, Marion, Morrow, Richland, Seneca, & Wyandot.
- The caregiver can be of any age.
- Eligibility varies based on available funding and demonstrated caregiver needs.
- No income eligibility is necessary. It is based on need and available funding.

Individuals are approved for a specific number of in-patient days based on provider and funding availability.

Barbara Griffin

Nutrition Supervisor & Data Entry

Our Home Delivered Meal program offers a diverse selection of meal options—hot, cold, and frozen—available to seniors five days a week. Our meals are prepared by the Seneca County Commission on Aging and then thoughtfully packaged at our facility by our outstanding kitchen team. Our dedicated meal route drivers deliver these meals, accompanied by a smile, across Wyandot County. Barbara continues to oversee our Chore Program as well as Care to Chat. The Chore Program is designed to assist those who require help with minor home repairs and maintenance tasks. Care to Chat is a volunteer initiative that connects callers with individuals who would benefit from a friendly conversation. These calls can vary in duration and offer an excellent opportunity for personal connection.

Our dedicated homemaking team is here to support you, ensuring a clean and comfortable living environment so you can focus on what truly matters - enjoying life and spending time with loved ones.

We understand the importance of maintaining a tidy home, and our services are tailored to meet your individual needs. Whether you require assistance with laundry, wet and dry mopping, changing bed linens, washing dishes, vacuuming, dusting, or keeping kitchens and bathrooms clean we are here to help.

Alesta Altvater

Homemaking Supervisor

Patty Nye

Transportation Supervisor

We provide transportation services throughout Ohio for medical appointments, while non-medical appointments are also available specifically in Wyandot County. Please note that medical requests take precedence over non-medical ones.

Our exceptional drivers offer door-to-door service to ensure you arrive at your appointments safely; however, they are unable to assist with lifting. If you need to cancel an appointment, we kindly ask that you do so as early as possible, allowing us to assist someone else who may need a ride that day.

We are dedicated to ensuring that every senior in Wyandot County has the necessary resources to age safely, comfortably, and with dignity. Recognizing that each individual's needs are distinct, our caring team is ready to listen and provide customized support.

Whether you're in search of information, a particular service, or a community connection, we are here to partner with you on this journey. Don't hesitate to reach out with any questions or to discover more about how we can assist you or your loved ones.
